# CHARITY GOVERNANCE CODE MASTERCLASS: *THE CODE CANVAS TOOL*

The Charity Governance Code (July 2017) is now in its 3rd edition and we have created an interactive Masterclass to support you with how to explain and/or apply the Code.

In this introductory Masterclass you will be introduced to our Code Canvas tool, a tool that we have developed to support you to explain and if you want to, apply the Charity Governance Code.

During this Masterclass, you use our Code Canvas tool to look at three key points;

1

the rationale and key concepts of the Code;

2

the outcomes (changes) expected if key principles are applied;  
and,

3

actions and steps to put into practice to show that you are working  
within the guidelines of the Code.

## INTRODUCTORY MASTERCLASS

Who is this workshop suitable for?

The Masterclass is suitable anyone, particularly trustees who want to understand the principles and recommended practice of Charity Governance Code.

If you want to walk away with

- (i) a template that you can use, and,

then this Masterclass could be for you.

# LEARNING OUTCOMES
