VOLUNTEER SUPPORT PROJECT

Need support to volunteer?

We can help you get Involved !

Why Volunteer?

Everyone has a different reason for volunteering. People use volunteering to:-

- ◇ gain confidence and learn new skills
- ◇ meet new people
- ◇ improve their health and well-being
- ◇ to give structure to their day if they are unable to work for health reasons
- ◇ as a stepping stone back to paid work

What could I do?

There are lots of different opportunities and you could join volunteers who enjoy helping in:-

- ◇ charity shops
 - ◇ cafes and clubs for the elderly
 - ◇ environmental projects and gardening
- ... and many more !

Please note that any information you provide to us will not be passed on to anyone else without your consent.

What support would you give me?

This project provides help, opportunities and support for people with a mental health issue, learning disability or head injury who want to volunteer but who need a bit of extra help to do so.

The Project Worker will offer you a one-to-one confidential interview to help you find a suitable role. You will then be supported for up to six months in your placement.
